1. The Engineering Bureau of the Laipin-Chennankuan Section, Hunan-Kuangsi Railway, has decided that the Public Security Sub-Bureau (sic) should lead in organizing railway militia corps to safeguard its operations and strengthen railway protective measures. Six thousand militiamen from Nanning, Laipin (109-16, 23-42), Yungch'um (4k 18), Funan (107-54, 22-37), Ch'ungsian (107-33, 22-27) and Mingch'lang (107-11, 22-09) Hsien will be organized into three railway militia corps before the end of winter.
2. CH'IU Tsai-an (丘載安), deputy director of the Public Security Sub-Bureau, stated that the following points must be noted in organizing the railway militia corps:
  - a. The Laipin-Chennankuan Section will organize railway militia corps to assist public security units in maintaining traffic safety and to foster popular participation in the enforcement of peace and order.
  - b. The hsien and municipal militias will be responsible for maintaining the livelihood of the railway militia corps.
  - c. Each member of the railway militia corps must strive to defend the People's railway to insure that no counter-revolutionary will set foot on the railway.
